

Walking Tours In The French Pyrénées 2017

MY NAME IS PATRICK ARRIEULA. I was born in south-west France in a little village at the foot of the French Pyrénées in the Béarn region near the Spanish and Basque borders.

Since 1996 my wife Robbie and I have escorted unique tours in the Pyrenees Atlantic region of south-west France during spring and autumn. We would like to share with you our passion for this beautiful part of France. Our tours are based in the countryside, giving you the rare opportunity to meet the locals, taste the regional produce, admire the beautiful landscapes and experience the culture. The walking tours are suitable for all those who enjoy walking as well as good dining. **During our tours we settle in at the one hotel for the 9 days avoiding the inconvenience of repacking and changing hotels.** The small family-run hotels have been chosen for their comfort and good table. **The price of the tours includes all the activities stated, all meals and wine.** All the rooms offer private ensuite facilities, shops and banks are all within walking distance of the hotels. All singles will have their own room and facilities unless sharing with a friend. During the tours, participants have the choice of joining daily activities or relaxing in the village for the day. A coach will ensure a comfortable journey along the French country roads and enable us to drive to different destinations every day and admire spectacular scenery.

Included in your trip: All transport, accommodation, breakfasts, lunches, dinners, and activities as stated in the brochure. Wine is included with all sit-down meals.

The tours are limited to a maximum of 20 and a minimum of 10 participants. Your booking will be secure upon payment of a deposit of \$400 AUD per person. See the back of the brochure for more details.

Testimonials

I had a fabulous time, your humour, knowledge of the area, love of people shown in a million small and large ways, your ability to keep the group moving into the next stage without having us feel rushed have all made this a time for me to treasure. You are both amazing for your genuine interest of people and your ability to engage with the locals which brought so many extra fun moments. Well done Patrick & Robbie. P Blackwell

Patrick's knowledge & love of the area was a huge asset. Patrick's & Robbie's happy, positive, generous personalities contributed to the overall experience. What a privilege to be able to spend a day in your village meeting your family and joining in with the locals. M Baldwin.

A truly wonderful trip with variation on walks and visits to places of interest. Patrick's & Robbie's laid back but very professional attitude made the trip a memorable experience. Many thanks to you both for a great holiday. I & L Hanan

Get-together in Bowral

A get-together for participants coming on our 2017 tours will be held in Bowral NSW Australia, to fine-tune details. The get-together will be held on Sunday March 5th, 2017 for the May tour and on Sunday July 23rd, 2017 for the Sep/Oct tours. An information booklet about the tours will be provided on the day.

Attention walkers

The walking tours with challenging walks are suitable for regular, experienced walkers. We will be walking over mountains and the grades of the walks will range from easy to challenging. **The distance of the walks will vary from 5kms to 18kms and the ascents from 100 to 700 meters.** Uphill and downhill training is most important.

We suggest that, for your greatest enjoyment and appreciation of the walking tours, you try to arrive in Europe a few days prior to the tour starting, so you will be rested beforehand.
